**ALLIGATOR ENCOUNTER**

News Article sent to editor of The Rice Planter by Judy Williams.  
 This article appeared in The Press and Standard Newspaper of Walterboro, SC.  
 It was written on July 27 1908.

While passing through a bay of water on their way from church one night last week, Mr. And Mrs. Aaron Crosby encountered an alligator 7 feet and 2 inches long. Mr. Crosby says the alligator struck at his horse and came in contact with the buggy wheel. The buggy was uninjured, but occupants were naturally some what nervous. Mr. Crosby succeeded in crossing the bay but several buggies following behind him stopped. A horse was taken from one of the buggies and a rider was sent for a gun and an alligator hunt by torch light was started, finally resulting in a bagging game. It is at this time of the season of the year that the farmer experiences more or less loss among their hogs from attacks by alligators.

If you have an interesting story about one of your ancestors and would like to share it. Please submit it to: The Rice Planter
