**James Smith Family Additions and Corrections:
(Volume 17, Issue 1 Jan – Mar, 2009)**

#167 Jane Elizabeth Smith married Robert Black on Mar 06 1866 (ref. Pension Application) Thank you Bob Williams.

Thank you David Hiott for the following information.

#166 Henry Smith's second wife Mary Elizabeth Walker was not the daughter of William Pledger Mouzon Walker.

#629 Laura Elizabeth Smith's husband Joseph "Bunyon" Hiott's birth date. Seems there is a mixup in the date of birth of Bunyon Hiott which could not have been Mar 01 1891 (as shown on death certificate) because according to the 1900 census he already had five children (the oldest being 8 years of age). Leading us to believe that he was born closer to the age of 1867 as shown in the 1870 Census.

#171 Salena Lena "Sarah or "Laney" Smith's husband Barney Smith as the son of Thomas Smith and Rebecca Warren) another source has Barney Smith as being the child of Gideon Smith. We feel further research needs to be done regarding the parentage of the Barney Smith.

#177 William Thomas Kicklighter b 1844 died in Fl was the brother Thomas Edward Kicklighter b. Nov 15 1846 d. Aug 28 1929 in Jacksonville, Fl who actually married Julia Elizabeth Carter.

#178 Elvira Kicklighter's husband James Daniel Smoak was not the son of George Washington Smoak and Susanna Rentz).

#702 Hybernia Smith's birth date was not 1863 (not possible) she was not listed in 1880 Census or in the 1900 Census (could she have been born and died between 1880 and 1900? Or could some researchers have her confused with Hyburnia Smith the daughter of Thomas and Rebecca Warren Smith.

#210 Julius B. Drawdy's wife is Mary Jane Catterton (not Mary Anne Catherton) her date of death should be Feb 12 1946 (not Feb 12 1916).

**JAMES E. WILLIAMS FAMILY
Generation One**

1. **James E. Williams**, born about 1760 in Possibly the British Isles, died Feb 4 1840 in Edisto community of Colleton Co, SC. Some sources have indicated that James E. Williams was born in Wales however DNA testing shows that this particular line of Williams came from the British Isles (Scotland or England). There is also a possibility that at some time in the past the surname may have been changed to Williams possibly indicating that James E. Williams may have been born in the United States. According to James E. Williams obituary it is stated he was survived by his wife however we are not sure whether or not it was Catherine. A James Williams was enlisted in the Colleton Co. Regiment of Foot in 1775. He may have been a member of the Pon Pon Company. However we do not know if this James Williams is our James E. Williams. Paul Williams).

He married **Harriet Havilah Risher** about 1809 in Green Pond, Colleton Co., SC, born about 1788 in Colleton Co., SC, (daughter of **Mary de la Fontaine** and **Benjamin Risher**) died Jan 12 1844 in Colleton Co., SC, buried in Family Burial Ground.

- + 21 iii. E. E. Anna Williams born about 1831.

5. **Mary A. Williams**, born about 1795/8 in Colleton Co., SC. It is believed that Mary A. Williams was one of the four children indicated in the obituary of James E. Williams. The Census of 1800 and 1810 also give the impression that he, James E. Williams had a daughter or daughters. Prine family genealogy tells us that John Prine married Mary A. Williams in 1813. The Prine and Williams families were neighbors in the early 1800's and are shown living near one another in the Mills Atlas. John and Mary Williams Prine moved to Mississippi sometime between 1823 and 1824. Mary A. Williams Prine is shown to be still living at the time of her father (possibly) James E. Williams death in 1840. We have decided, under these circumstances to include Mary A. Williams as one of the children of James E. Williams. She married **John Alexander Prine**, Jan 27 1813 in Colleton County, SC, born about 1793, (son of **Daniel Cannon Prine** and **Sarah Gates**) died Sep of 1856 in Lowndes County, Ga. **John**: John Alexander Prine married Mary A. Williams several sources have them marrying in Mississippi however they were both from Colleton County, South Carolina and their first two children were born in South Carolina before 1824.
