Colleton Genealogy Society received no additions to our research center this quarter. Perhaps you have a resource book or family history book that you know other researchers could use to help them in their genealogy research. Please feel free to donate it to our Society and we will be happy to place it in one of our four rooms at our Research Center. Yes, that's right FOUR ROOMS. We have grown from two rooms to four rooms at our Research Center. Did I fail to mention we have an office also. Books may be given in MEMORY of a loved one. Files of research no longer being compiled because a loved one has departed are welcome and can be added to our collection of material. Come and grow with us.
